

## CURRICULUM VITAE OF YUKIO HIMIYAMA (as of June 2019)

**Name** Yukio Himiyama

**Date of Birth** 20 June 1949

**Place of Birth** Japan

**Title** Emeritus Professor

**Institution** Hokkaido University of Education

**Nationality** Japanese

### Education

1969-1973 Physics Department, Tohoku University, B. Sci. in Physics

1973-1976 Physics Department, Tohoku University, M. Phil. in Physics

1974-1975 Physics Department, UCLA (as an exchange student), M. Sci. in Physics

1976-1980 Geography Department, King's College London, Ph.D. in Geography

### Occupation

1980-1983 Lecturer in Geography, Hokkaido University of Education

1983-1989 Associate Professor in Geography, Hokkaido University of Education

1989-2015.3 Professor of Geography, Hokkaido University of Education

2010-2015 Visiting Professor, Research Institute for Humanity and Nature

2015.4-present Emeritus Professor, Hokkaido University of Education

### Experiences

1984-2011 Editorial board member, Land Use Policy.

1987 Chief Organiser of "International Symposium on Land Use Change and Its Processes"

1988-1992 Chairman, Land Use Study Group, Association of Japanese Geographers

1991 Chief Organiser of "International Symposium on Environmental Change and GIS"

1992-2010 Councillor, Association of Japanese Geographers

2012-present Councillor, Association of Japanese Geographers

1995 Chief Organiser of "International Symposium on Lifelong Learning and Extension at Educational Universities"

1996-2004 Chairman, IGU Commission on Land Use and Land Cover Change (coordinated many international meetings and publications during the term)

1997-2002 Director, Taisetsuzan Institute of Science, Hokkaido University of Education

1998-2016 President/Vice President, Society for Environmental Map Education

1998-2008 Honorary Theme Editor of *Regional Sustainable Development Review: Japan* developed under the auspices of the UNESCO/EOLSS Publishers, Oxford, UK, Encyclopedia of Life Support Systems [<http://www.eolss.net>] 2001-

2005 President, Geographical Society of Hokkaido

2004-2009 Director, Center for Lifelong Learning, Hokkaido University of Education

2005-2011 Member, Science Council of Japan (SCJ)

2007-2010 Special Advisor to the President of Hokkaido University of Education

2008-2017 Chair, GLP Japan National Committee, SCJ

2008-2011 Chair, IGU Japan National Committee, SCJ

2009-present Chair, IHDP Committee, SCJ (IHDP became HD in 2015)  
 2010-2016 Vice-President, International Geographical Union  
 2011-2017 Council Member of Science Council of Japan (SCJ)  
 2011-2017 Chair, Human Geoscience Committee, SCJ  
 2011-2016 President, Human Geosciences Section, Japan Geoscience Union (JpGU)  
 2011-2017 Council Member, Science Council of Japan (SCJ)  
 2013-present Chair, Managing Committee, Asahikawa City Community Center  
 2013-present Chair, Education for Sustainability Committee, SCJ  
 2015-2018.3 President, Japan Organization of Geographical Sciences (JOGS)  
 2016-present Auditor, Japan Geoscience Union (JpGU)  
 2016-present President, International Geographical Union (IGU)  
 2017-present Advisor, Society for Environmental Map Education  
 2017-present Member, Science Council of Japan (SCJ)
