

CURRICULUM VITAE

Professor Dr. Ahmad Ismail
Universiti Putra Malaysia
43400 UPM Serdang, Selangor.

1. Personal Information

1. **Name:** AHMAD BIN ISMAIL.
2. **Department:** Department of Biology.
3. **Faculty:** Faculty of Science.
4. **Field of Specialization:** Ecotoxicology and Wildlife Ecology.
5. **Education and Academic Qualification:**

University

Name of Institution:	University of Essex, Colchester, England (1982-1986).
Degree Awarded:	Doctor of Philosophy.
Thesis :	Ecology and Toxicology of Arsenic in Contaminated Grassland.
Name of Institution:	Universiti Kebangsaan Malaysia, Jalan Pantai, Kuala Lumpur (1976-1980).
Degree Awarded:	B. Sc. (Hons.).
Thesis:	Survey on Several Aspects of Ecology and Behaviour of Wild Rats in Oil Palm Estates.

6. **Field(s) of Specialization:** Ecotoxicology and wildlife ecology

Current Research Areas/Topics:

- a. Assessment and effect of hazardous chemicals on habitat quality of migratory shorebirds and coastal environment including coastal food webs systems.
- b. Adaptation of birds towards their habitat changes and identification of key species for mangrove habitat. Current focus species is Milky Storks in Kuala Gula, Perak and Southern Pied Hornbill in North Selangor Peat Swamp Forest.
- c. Migration fishes (eel) responses towards habitat quality and changes and fishes population in changes of peat swamp forest ecology.
- d. Medaka fishes as a bioindicator and testing organism for environmental changes.
- e. A holistic approach towards tackling the long-tailed macaque-human interface in Kuala Selangor.

7. Research attachment in the field of Ecotoxicology, Marine Sciences and Wildlife Ecology at;

- a) University of Wales, Menai Bridge, Bangor 1993;
- b) The Tokyo University, Japan;
- c) Kyoto University, Japan;
- d) Ehime University, Japan;
- e) Kagoshima University, Japan;
- f) National Institute of Basic Biology (NIBB), Nagoya, Japan;
- g) Minamata Disease Research Institute, Minamata, Japan.

[Regular short visits and attachments from 1996-2011 in Japanese University's Laboratories through multilateral research collaboration in coastal marine sciences organized by Japan Society for the Promotion of Science (JSPS) and Japan International Cooperation agency (JICA). The projects continue under A-Core programme 2012-2015 (<http://www.jsps.go.jp/english/e-acore/> & http://www.aori.u-tokyo.ac.jp/newsletter/files/cic_newsletter10.pdf) and leading pollution group researchers in Malaysia under JSPS A-Core Programme].

8. Brief career History:

Professor Ahmad bin Ismail started his career in Universiti Pertanian Malaysia in 1981 then Universiti Putra Malaysia after 3 April 1997). Since then he has built up a vast experience in teaching, supervision, research, publication, extension and consultation, students' affairs management and administration. He has taught more than 1000 students in the fields of animal diversity, wildlife ecology, animal structure and function, tropical ecology and ecotoxicology; supervised more than 100 undergraduate and postgraduate students' projects in the fields of wildlife ecology and ecotoxicology. His postgraduate students comprised those from Pakistan, Iran, Iraq, Bangladesh, Sudan, Oman, Indonesia, Philippines, Nigeria, Jordan dan Malaysia. To date he has produced more than 10 masters and PhD foreign students. Apart from fulltime students, he also supervised visiting students from Finland, Australia, England, Oman, Iraq, Korea and Japan who conducted their short term research in the university.

In research, Professor Ahmad has been awarded more than RM2 million research grants throughout his career and published more than 300 publications in local and international refereed journals and conference proceedings. He presented in many seminars locally and internationally including as invited and plenary speakers. He is also visiting Professor to Nicolaus Copernicus University, Poland under the European Union "Enhancing Educational Potential in the Disciplines of Mathematical and Natural Sciences and research collaborators with Japanese and Asian scientists in coastal marine sciences under JSPS (Japanese Society for Promotion of Science). Until 31 January 2014, Google Scholar Citation Indices has shown 2423 number of citations and H-index 29 for his publications.

In consultation and extension activities, he has also been awarded more than RM 1 million ringgit. He was involved in many activities with companies such Petronas, Telekom Malaysia, Denso, Bata, Coca-cola and many more. In addition, he is also active in disseminating knowledge about education and environment to the public through printed and electronic media. Professor Ahmad is currently the Vice President of Malaysian Nature Society (MNS) which is a well-

known 73-year-old nature based society in Malaysia with more than 4000 members. He actively involved in environmental education programmes which participated by nearly 500 schools in Malaysia in collaboration with MNS and Ministry of Education Malaysia and Ministry of Natural Resources and Environment.. He is also the former Vice President of the Malaysian Zoological Society which manages Zoo Negara Hulu Kelang and former Honorary Secretary of the Malaysian Ecological Society. Through these nature base societies he is educating many school's and university's students in understanding nature and conservation and develops interest in science for their future career. In late 1990s and early 2000 he involve a lot in promoting science 60:40 Science:Arts in schools.

In administration, Professor Ahmad is currently the Head of Biology Department. He had previously held other posts such as Deputy Dean of Faculty of Agriculture and Food Science UPM Bintulu Campus, Deputy Director UPM Matriculation Centre, and Principal of Thirteenth College, UPM. He is involved in many committees at department, faculty and university level. He is a Senate Member Universiti Putra Malaysia, Senate Representative in Post Graduate Studies Committee Universiti Putra Malaysia, Senate Representative in Curriculum Committee Universiti Putra Malaysia, Senate Representative in Professional Examination Committee Faculty of Medicine and Health Sciences, Committee member for Institutional Animal Care and Use Committee (IACUC) Universiti Putra Malaysia, Board Member of Universiti Putra Malaysia Cooperative, Director of Kedai Buku Koperasi Sdn Bhd Universiti Putra Malaysia, and President of Academic Officer Association Universiti Putra Malaysia, and a Committee Member of Malaysian Academic Association Council (MAAC). He also serves in many permanent committees and ad-hoc committees at university level. He is the Chairman for UPM-Coca-Cola Recycle to Cycle 2012-2014, a USD250,000 project sponsored by the Coca-cola Foundation. At international level, he has collaborated with many universities in Japan, England, Poland, Thailand, Indonesia, Philippines and Vietnam on multilateral research collaborations on coastal marine sciences and biodiversity.

Prof Ahmad is also actively involved in community services. He was the Chairman of Parent-Teacher Association Sekolah Kebangsaan Seri Selangor, USJ, Subang Jaya until April 2013 and previously Chairman of Parent-Teacher Association Sekolah Menengah Kebangsaan USJ4 subang Jaya, Vice President of Malaysian Nature Society (MNS), Advisor to Environmental Education Department MNS, Committee member of Briged Penyelamat Sungai (BPS) Syabas/Puncak Niaga and many active life style and green activities with local authority MPSJ (Majlis Perbandaran Subang Jaya). His contributions were not only through direct contacts with the public but also through local media such as television (RTM1, RTM2, TV3, TV Bernama), radio (Nasional, FM) and news papers (The Star, The New Straits Time, Berita Harian, Utusan Malaysia, Sinar and others). Currently (November 2013 – February 2014) he is promoting ideas on Orang Asli and the protection of Taman Negara Kuala Koh in the local media, Utusan Malaysia, Sinar Harian, TV1, TV3 dan Astro Awani.

As an international networking, he established MoU (Memorandum of Understanding) between UPM and The Tokyo University and Kagoshima University and Lembaga Ilmu Pengetahuan Indonesia (LIPI). This networking has developed new young scientists in the research groups both in Malaysia and counterparts. He is active in multilateral research collaboration with Asian countries through JSPS. At national levels he works together with Pulau Banding Foundation (PBF) and established MoU between UPM and PBF. This MoU is active in nature conservation and environmental education involving staff and students beside biodiversity based research among the staffs.

For his excellence services he was awarded UPM Vice Chancellor Fellowship Award (Academic and Professionals) 2012 and faculty of Science UPM management Award 2013. His vision is to make future Malaysians a thinking society, living in harmony in comfortable environment and achieving high capacity in science and technology. Thus, the missions are to develop a young generation of high capacity and thinking society for a developed nation through formal and informal education, to develop high level of proactiveness, creativity and competitiveness among

the young generation in the pursue of knowledge in science, to promote study, appreciation, conservation and protection of nature and Malaysian heritage in order to create harmonious, sustainable and developed nation, and to gather experts for more unified research in developing the nation in science and technology. In general universities play important roles in producing first class citizens in future Malaysians in a developed country. All universities must have strategies to provide competitive graduates for a competitive job market in our GLC (Government Linked Companies) international MNC (Multi-National Companies) and global market

2. Previous Academic and Other Relevant Appointments

1. Head of Department, Department of Biology, Faculty of Science, Universiti Putra Malaysia. Jun 2011-Jun 2014.
2. Professor, Universiti Putra Malaysia 2008-Present.
3. Deputy Dean for Faculty of Agricultural Science and Food, Bintulu Campus, Sarawak, January to December 2005.
4. College Master for 13th College, March 2001 – December 2004.
5. Deputy Director, Centre for Matriculation, UPM. September, 1997- August, 2000.
6. Associate Professor, Universiti Putra Malaysia 1996-2008.
7. Lecturer; Universiti Pertanian Malaysia, Serdang. 1987 – 1996.
8. Tutor; Universiti Pertanian Malaysia, Serdang. 1986-1987.
9. Postgraduate Student, University of Essex, England. 1982-1986.
10. Tutor; Universiti Pertanian Malaysia Sarawak Campus, Kuching, Sarawak. 1981-1982.
11. Part time demonstrator;
 - i) Pusat Sains Asasi, Universiti Malaya. 1980.
 - ii) Jabatan Biologi, Universiti Pertanian Malaysia. Serdang. 1979/80.
 - iii) Jabatan Zoologi, Universiti Kebangsaan Malaysia. Jalan Universiti, Petaling Jaya. 1980.

3. Research Activities

	Title of project	Amount (RM)	Year
1	Effect of Zinc on the Growth of Rats. Short Term Grant, UPM	RM 2,300.00	1988
2	Identification of Biological Indicator for Water Quality and Environmental Changes. IRPA	RM41,000.00	1989-1990
3	Heavy Metals Pollution in Estuarine and Coastal Ecosystem. Short Term Grant, UPM, 1990-91	RM28, 000.00.	1990-1991
4	Biology and Ecology of Vertebrate Animals in Rice Field, IRPA, 1990-1993	RM 1,145,163.00	1990-1993
5	Studies on Heavy Metals Bioaccumulation in	RM13,480.00	1995

	Intertidal Molluscs, Polychaeta and Sediments of Peninsular Malaysia. Short term research grant from Universiti Pertanian Malaysia ; for 1995		
6	Product quality monitoring for heavy metals. IRPA 1995-2001.	RM102,000.00	1995-2000
7	International Mussel Watch in Asia-Pacific 1997/2001. A collaboration research with Ehime University and Tokyo University of Agriculture and Technology, Japan. Supported by Ministry of Education, Japan and NISSAN for the sampling and field trips of Japanese and Malaysian Scientists.	12,200,000.00 Yen	1997-2001
8	Imposex studies in gastropodes from commercial ports in west coast of Peninsular Malaysia, short term research 1999/2001.	RM10, 000.00	1999-2001
9	Identification of biomarkers for heavy metals accumulation in <i>Perna viridis</i> , short term research 1999/2001.	RM10,000.00	1999-2001
10	Pollution impacts on bioresources in the Straits of Malacca. 2001-2005. IRPA	RM179,000.00	2001-2005
11	Development of Environmental Education Modules in Malaysia, 2001-2005. IRPA	RM121,660.00	2001-2005
12	Habitat quality and utilization for migratory shore birds in Kapar, Pantai Remis, Kuala Selangor and Kuala Gula, Perak. (Short term research grant from Universiti Putra Malaysia for 2001-2003	RM10,000.00	2001-2003
13	JSPS (Japanese Society for Promotion of Science) Multilateral Cooperative Research Programme 2001-2010 Coastal oceanography: Pollution of hazardous chemical in coastal marine environment and their ecological effect.	RM 500,000.00 (estimate)	2001-2010
14	Studies on plastic Pellets and Hazardous Chemicals in Shorebirds Feeding Sites. Ministry of Sience, Technology and Innovation Malaysia – eSciencefund, 2006-2008	RM196,600.00	2006-2008
15	Molecular population genetics of the milky stork (<i>Myceria cinerea</i>) and the painted stork (<i>M. leucocephala</i>) found in Malaysia. Fundamental research grant, Ministry of Higher Education for 2007/2008 01-01-07-165FR	RM 74,000.00	2007-2008
16	Identification of diagnostic DNA microsatellite markers for heavy metal pollution in the biomonitoring agent, the green-lipped mussel, <i>Perna viridis</i> . eScience fund, MOSTI, for 2007/2008.	RM 146,000.00	2007-2008
17	Studies on heavy metals (Pb, Cu, Zn, Cd, N, V, Hg) in mudskipper and its biochemical respose to heavy metals toxicity. 2009-2010.	RM 80,000.00	2009-2010
18	Studies on the adaptation of milky stork released into natural habitat in Kuala Gula Perak. 2009/2010 Wildlife Department and National Park Malaysia	RM40,000.00	2009-2010
19	Studies on heavy metals, nitrate and phosphate input from inland to coastal areas. Research University Grant (RUG) 2009-2011	RM 87,000.00	2009-2011
20	Studies on human-macaque conflict at Kuala Selangor Nature Parks 2011-2013	RM 15,000.00	2011-2013

21	Studies on the Response of Chloride Cells Towards Heavy Metals Exposure on Java Medaka (<i>Oryzias javanicus</i>)	RM 15,000.00	2010-2013
22	Mobility of Trace Metals in the Mangrove Ecosystem	RM 26,500.00	2011-2013
23	Early Establishment, Dispersal and Survival of the Released Milky Storks in Malaysia: An Ex-Situ Study	RM 56,000.00	2011-2013
24	Response Of Java Medaka (<i>Oryzias javanicus</i>) to Several Pollutants : a new Tool For Ecotoxicology	RM 32,000.00	2012-2013
25	Studies On Ecology And Genetic Diversity Of Medaka Fish (<i>Oryzias sp.</i>) In The Coastal Region Of Malaysia - A New Research Tool For Environmental Studies	RM 79,460.00	2012-2014
26	Coca cola active healthy life (Recycle to Cycle)	RM 772,000.00	2012-2014
27	Identification, Distribution and Migration Pattern of Anguillid Eels in the Northern Part of Peninsular Malaysia	RM 30,000.00	2013-2014
28	Integrated Assessment on Habitat Quality and Trace Metals Mobility in Mangrove Ecosystem	RM 137,000.00	2012-2014
29	Assessment of dragon fly as bioindicator for environmental changes along rivers and mangrove ecosystem in relation to oil palm plantation.	RM 50,000.00	2012-2014
30	Migration pattern and adaptability of asian swamp eel (<i>Monopterus albus</i>) in paddy field of Tumpat and Tanjung Karang.	RM 86,000.00	2012-2014
31	Integrated Forensic Investigations of Marine Pollution Impacts in Ecologically Sensitive Areas	RM 184,360.00 RM 234,360.00	2013 2014
32	Assessment of heavy metals contamination risk in foraging areas of Milky Stork in Kuala Gula, Perak.	RM 15,000.00	2014-2016
33	Establishment of Javanese Medaka (<i>Oryzias javanicus</i> , Bleeker, 1854) as a novel model organism for ecotoxicology, developmental neurotoxicology and neuropharmacology research	RM 299,500.00	2014-2016

1. Pengalaman

(Jawatan-jawatan yang pernah disandang/ tahun jawatan disandang/ tempat bertugas sewaktu menyandang jawatan)

- a. Felo kolej Tun Perak, Universiti Putra Malaysia, 1989-1996
- b. Penyelaras Program Matrikulasi – Biologi, Universiti Putra Malaysia, 1990
- c. Timbalan Pengarah, Pusat Pengajian Matrikulasi UPM, 1997-2000
- d. Pengetua Kolej Ketiga Belas, Universiti Putra Malaysia, 2001-2004
- e. Timbalan Dekan, Fakulti Sains Pertanian dan Makanan, UPM Kampus Bintulu, 2005
- f. Ketua Jabatan Biologi, Fakulti Sains Universiti Putra Malaysia, 2011-2014
- g. Ahli Senat UPM 1997-2000 dan 2011-2014.
- h. Wakil senat dalam Jawatankuasa Pengajian Siswazah Universiti, Kurikulum University, Peperiksaan professional Perubatan Universiti 2011-2014.
- i. Ahli Lembaga Koperasi Universiti Putra Malaysia, 2011-2013
- j. Pengarah Kedai Buku Koperasi UPM, 2011-2013

- k. Ahli Jawatankuasa Kebajikan Universiti Putra Malaysia 2011-2013
- l. Ahli Jawatankuasa Kesihatan dan Keselamatan Pekerja Universiti Putra Malaysia 2011-13
- m. Ahli Jawatankuasa Induk Makanan Universiti Putra Malaysia 2012
- n. Pengerusi Jawatankuasa Rayuan Pilihanraya Pelajar UPM 2012
- o. Ahli jawatankuasa orientasi pelajar sepanjang menjadi felo dan pengetua kolej, 1989-1996; 2000-2005.
- p. Berbagai AJK induk dan kecil semasa menjawat jawatan Timbalan Pengarah Pusat Pengajian Matrikulasi UPM dan Pengetua Kolej Ketiga Belas UPM, 1997-2005.
- q. Penyeliaan Latihan Mengajar Pelatih Guru mengajar di sekolah-sekolah sekitar Negeri Sembilan, Negeri Selangor, Wilayah Persekutuan dan Melaka, 1995-2010.
- r. Ketua penyelidik kepada tidak kurang dari 20 projek penyelidikan melebihi 1 juta ringgit sepanjang kerjaya di UPM, 1990-sekarang.
- s. Penyelaras kursus-kursus berkaitan ekologi, ekologi hidupan liar, ekotoksikologi, penyelidikan lanjutan dalam biologi yang terkini sejak 1990.
- t. Pengerusi dan setiausaha penganjuran beberapa seminar dan konferens peringkat universiti, kebangsaan dan antarabangsa, 1992-2013.
- u. Penyelidik Pelawat dalam bidang sains marin di The University of Tokyo, Kagoshima University, Ehime University, dan beberapa lagi university di Jepun, 1996-2011.
- v. Academy Science Malaysia (ASM) Associate 2012-2013.
- w. Tutor UPM Kampus Semenggok, Kuching, Sarawak 1981-1982.
- x. Pelajar PhD University of Essex 1982-1986.
- y. Pensyarah (1987-1996), Profesor Madya (1996-2008), Profesor (2008-sekarang).
- z. Penguasa Kanan Kastam, Kastam Eksais Di Raja Malaysia di Pulau Pinang, 1982.

2. Sumbangan

(Sama ada dalam pergerakan masyarakat/ pertubuhan/Profesional/sukan/ kebajikan/ sosial/agama di peringkat tempatan/antarabangsa)

- a. Presiden, Persatuan Pegawai Akademik UPM 2011-2015.
- b. Setiausaha Agung Persatuan Ekologi Malaysia 1992-1993
- c. Ahli Majlis Persatuan Pecinta Alam Malaysia (MNS) 2010-2012
- d. Naib Presiden, Persatuan Pecinta Alam Malaysia (MNS) 2012-2014
- e. Ahli Majlis Persatuan Zoologi Malaysia, 2003-2009
- f. Naib Presiden Persatuan Zoologi Malaysia, 2007-2009
- g. MAPIN (Membar Pemuafakatan Ibubapa Nasional), 2010/11.
- h. AJK Persatuan Ibubapa dan Guru (PIBG) Sekolah Kebangsaan Seri Selangor, 2000
- i. Timbalan Pengerusi PIBG Sekolah Kebangsaan Seri Selangor 2008/9
